# TAKE CARE OF THEIR HEALTH

A wellness visit can control, correct,  
and reduce problems.

- **Preventative medical & dental care** can stop or greatly reduce problems before they become serious or even life threatening.
- **Developmental care** tracks the student's growth to ensure they are progressing normally.

## BEING HEALTHY PAYS OFF!

Good health isn't the only perk to a wellness visit! Students receive a **\$5 SUBWAY** gift card at the end of their visit and are entered into a grand prize drawing for an **Xbox One S console & game!**\*
